Cayman National Wins “Bank of the Year” for 2018

Cayman National Bank announces that it has won the prestigious “Bank of the Year” award for the Cayman Islands for 2018.

The award was presented by the Banker Magazine, part of the Financial Times group in London, England, on Thursday evening, November 29. The Bank of the Year award is recognized as the industry standard for excellence. Banks are judged on their ability to deliver returns, gain strategic advantage, and serve their markets.

Stuart Dack, Chairman of CNB said, “the award is a reflection of the hard work, professionalism, and dedication of our staff. We are exceptionally proud that we have been awarded this accolade for the fifth time since 2005, especially during a year that has had its challenges. It is gratifying to be recognized in this way.

Cayman National looks forward to many further years of success in serving our customers and clients in all three of our Islands.”
