### **West Bay Children's Fair receives support from Cayman National**

The Department of Children and Family Services, West Bay District team received donations from Cayman National to assist with the community fair which was one of their special events in celebration of 'Child Month'. According to Ms. Paulinda Mendoza-Young of the Department, the fair, (which was held at Scholars Park West Bay) was a resounding success, which would not have been possible without the support of Cayman National and other local organizations. "The success is a testimony of the impact the business community can have through partnering with the Government in creating positive experiences for our children. The event was truly special and provided an opportunity for the children to enjoy themselves in a safe and fun environment which allowed them to recognize their importance to the adults around them" said Ms. Mendoza-Young.

"Cayman National has always embraced the opportunity to invest in the future of our islands, our children and our youth, and we are extremely pleased to support this special event during the Child Month activities", said Ms. Claudia Welds, Cayman National's Corporate Communications Senior Executive. "We congratulate those within the Department for their untiring efforts and celebrate with them the success of this very special event."
