Cayman National Customers WIN with the *Hunt for Summer Savings*

This summer, Cayman National teamed up with local merchants to give back to its customers with the *Hunt for Summer Savings*. During the months of June and July, Cayman National customers were encouraged to visit the following merchants: Home & Office City, Divers Supply, Sports Supply, Mezza, Bacchus, Lonestar Bar & Grill, Reef Bar & Grill and Papagallos – to enjoy 10% - 20% off their purchases.

In addition to saving up to 20%, customers were invited to enter a random drawing for 2 FREE Cayman Airways tickets. **Michael Pratt** was the recipient to win 2 airline tickets for the month of June, and **Jacqueline Murray-Smith** was the winner for the month of July.

“As a leading financial services group in the Cayman Islands, we express our sincere appreciation to the participating companies for teaming up with the Bank to support its summer promotion,” commented Mr. Ormond Williams, Executive Vice President for Cayman National Bank. “In addition to promoting local spending, the *Hunt for Summer Savings* allows us to give something back to our customers and further promote our commitment to CIASA’s Senior Swim Team.”

Cayman National has linked its customers’ VISA debit card transactions to the Cayman Islands Amateur Swimmers Association’s (CIASA) Senior Swim Team, whereby \$.10 (ten-cents) from every Cayman National VISA debit card transaction is donated to the Olympic Quest Senior Swim Team.

“On behalf of Cayman Airways, we are pleased to have been a participant in the *Hunt for Summer Savings* promotion. This effort by Cayman National’s Board of Directors, staff members and all of the participating companies made a positive contribution to our community, and we are pleased that this promotion was a great success,” explained Vice President of Sales and Marketing Mr. Richard Blake.

To apply for a Cayman National VISA debit card, log onto www.caymannational.com or come into a Bank branch to apply today.

Cayman National, a wholly owned subsidiary of Cayman National Corporation, is the official bank of the Cayman Islands Amateur Swimmers Association’s Senior Swim Team and the Quincentennial Celebrations.
