Cayman National Supports Special Mothers

A Group of Senior Mothers were made to feel special at a Mother's Day Banquet held in their honour on May 15th at the John Gray's Memorial Church Hall I West Bay. The Women of Grace, as one of their annual events, organized the special evening for the senior ladies.

The evening provided an opportunity for fellowship with friends and a time to express appreciation to these special mothers for their contributions to their community.

According to Mrs. Francia Lloyd, one of the event coordinators of Women of Grace, "This year's event was made possible as a result of the generosity of Cayman National's donation towards our program to serve and honour our senior ladies. Women of Grace is a small group of ladies who have reached out to the senior ladies in our community for over 25 years, and the continued support of organizations like Cayman National is deeply appreciated".

Mr. Stuart Dack, President & Chief Executive of Cayman National, expressed his delight to be able to support the event and noted "Cayman National has always, and will continue to support our community, by being supportive of our elderly and other worthy causes. We recognize that the ladies of these Islands have always played a vital role in the community and to take time to recognize and pay tribute to them is commendable of the Women of Grace."
