Bank Customers Enjoy Pirates and Plenty of Prizes with a “*Better Way to Bank*”

Cayman National Bank is taking Pirates Week 2003 to a whole new level for its customers by bringing the theme of this annual country festival into its Service Centres for the next 6 weeks with its Treasure Chest Draw. From October 27th to December 5th, the Bank is encouraging its customers to use its convenient self service banking options (debit card, ATM, telephone and Internet banking) to be entered to win exciting weekly prizes for \$250, Cayman Airways tickets, a DVD player and a TV, plus a GRAND PRIZE of CI\$2,500.

“October 2003 marks the one year anniversary for our self service banking products and what better way to celebrate then through Pirates Week – an annual celebration of Cayman’s culture and history,” explained Ralph Lewis, SVP Service Delivery. “As the only locally owned bank, the Cayman Islands are our home and the people who reside here are our family and friends. Supporting community initiatives like Pirates Week, the Quincentennial Celebrations and others is our way to give back to a community that has served us well for nearly 30 years.”

New and existing Cayman National Bank customers can participate in the Treasure Chest Draw by using the Bank’s suite of “*Better Way to Bank*” products and services - Cayman Express (ATM Banking), Cayman In-Touch (Telephone Banking), Cayman Global (Internet Banking) and CNB’s Visa Debit Card. The more often customers use these banking options, the more chance they have to WIN, as weekly drawings are done randomly.

In addition to rewarding its customers with prizes for using alternative banking channels, the Bank will also be demonstrating their Pirates Week spirit by constructing special in-branch displays, hosting the Seattle Seafarers Pirates at their branches on Fridays and having their Internet banking Mascot, CLICK, participate in Saturday’s Pirates Week parade.

To learn more about Cayman National Bank’s Treasure Chest Draw, simply visit www.caymannational.com or any of the Bank’s five branches.

Cayman National Bank, a wholly owned subsidiary of Cayman National Corporation, is the official bank of the Cayman Islands Amateur Swimmers Association's Senior Swim Team and the Quincentennial Celebrations.
